

Recent Operations

By Paul Hadden

From Glenville, Ga., Paul Hadden, editor-owner of The Everglades News, wrote to his Canal Point office Friday:

"My dentist told me to noon to be careful, have me some teeth so that I could return to Canal Point the latter part of next week."

"I got five dailies from Florida this week, and I'll pass the time, I keep the dailies, I cleaned out of reading matter. I've longer this time than I have in 25 years, and am ready to go back to work."

Cane Growers And Bonus Payments

(Moore Haven Democrat)

F. D. Yarn, county agent of Glades county, who now has supervision of the compliance program of the Agricultural Adjustment Administration, announces the amounts being paid by each Everglades sugar cane grower for the year 1942-43. The payments were made in July.

These payments are made for compliance with soil conservation measures, with acreage set by the Department of Agriculture, with provisions of proper housing for cane workers and other things.

The United States Sugar Corporation, being the largest grower in the state received \$528,785.50. The various other payments made to independent growers who raise but do not process their own cane were as follows:

James M. Case, \$1,565.14.
John H. Kurtz, \$6,272.81.
Ralph E. Kurtz, \$2,744.71.
John A. Peterson, \$2,744.71.

Harley Walton, \$2,040.56.

FARM LABOR COMMITTEE AT BELLE GLADE ON 29th

M. U. Mounts, county agricultural agent, said Monday afternoon that a special meeting of the Farm Labor Advisory Committee will be held at Belle Glade on Sept. 29, p. m. Friday, September 29, to determine the prevailing farm wage.

The committee will hear testimony from farmers and laborers. Mr. Mounts explained, in an effort to get the wage issue settled, to be imported farm labor from the Bahamas. The meeting will be open to the public.

Singing Convention Here Next Sunday

The Palm Beach County Singing Class will meet at Canal Point Sunday, Sept. 24, at 2 p. m. A. Q. Howell, the president, announced. The convention will be held at the General Baptist church. The general public is invited.

The county singing class meets alternately on the east coast and in the Everglades every fourth Sunday, the place of meeting being decided at each meeting.

Unit war-time training regulations were applied, it was regulations for a lunch to be served at the place of meeting, but that has been given up. Visitors now get the non-day meal before departing for the convention and the singing class in time for the participants to get home before supper.

HOW TO GET FLAG

Senator Charles O. Andrews has been advised by the War Department that for each member of our armed forces, regardless of his branch of service, who has died in service, the government provides an American flag measuring 48 by 9 1/2 inches which is presented to his family.

Families who have not received a flag may obtain one by filling out Form 1008 which can be procured from the nearest Veterans Affairs office.

Big Reduction In Bonded Debt Of Drainage District

Order validating the issuance of \$4,000,000 refunding bonds of Everglades Drainage District was signed Monday at West Palm Beach by Circuit Judge Joseph S. White.

Section to validation had been made by state attorneys of counties comprised in the district but this was more "for the record" than to oppose the action. In the objection it was denied that the petition for validation was sufficient and that it was not properly adopted and that the validation was not authorized by the constitution and the action of the drainage district had not been submitted to a vote of the taxpayers.

Question was raised to the pledging of all lands in the district for debt, service of the ground that some tracts are owned by the state and not subject to drainage taxes. These points were raised in order that the court decision pass on them if they had not been raised.

Mr. Lewis Hall, district attorney, was assisted in presenting the petition by John D. McCall and Millie C. Arkheim, Dallas, Tex., appearing before the court.

Kenneth Lewis, special counsel for a number of property owners, stated that he wanted to which the debt voiced objection to the setting up of a \$5,000,000 reserve fund. Attorneys for the district feared that the debt might set the district in liquidation, in the event of a disaster. In regard to the \$5,000,000 fund, collected from property owners, it was stated that the district attorneys referred, district attorneys said that the court would be asked later to determine whether or not the debt could be used for maintenance of or for reserve.

Plans for the refunding of the district's indebtedness were worked out recently in New York at the time the district commissioners approved the plan, it was stated. That this money was arranged, Ransford-Davidson Co., Inc., and by J. Van Ingen, Jr., and Company, nothing Krummelt and Schreiner, \$12,723.73. Ruth R. Wegdworth, \$3,074.97. Theo. W. Moore, \$5,035.05. Harley Walton, \$2,040.56.

The district's indebtedness has been scaled down during the past few years from \$15,000,000 to \$4,000,000. The new bonds extend over 30 years at 3 1/2 percent interest, and it is estimated that they can be paid off in not less than 10 years.

Babies In War Time Meeting's Subject

An institute for social welfare workers and all other interested persons, dealing with the subject, "Babies in War Time," was arranged for Sept. 22, by the Florida Federation of Planned Parenthood with the cooperation of the Mothers' Health Bureau of West Palm Beach.

The institute will take the form of a round-table discussion followed by a luncheon. The institute will be held at 8 p. m. at the Y.W.C.A. residence, Olive Ave. and Myrtle St.

Mrs. C. P. Corne, state director for the Federation, is arranging for the meeting. Six such meetings will be held in the state.

Mrs. Nellie Smith, president of the Mothers' Health Bureau, will preside, and taking part in the discussion will be Mrs. Corne, Mrs. H. M. Tschirg, member of the bureau; Mrs. Soyretta Law, county nurse and director of the bureau; Mrs. Dorothy B. Turner, county welfare officer; the Rev. Canon William S. Turner, rector of Holy Trinity church.

PINE LAND TOMATOES

Manager C. S. Phillips of the District City's Pine Land tomatoes (Belle Glade County) says they are being planted to tomatoes and land is being prepared for about 290 acres of pine land tomatoes.

This represents a slight advance over last year's pine land acreages, which were about 1,000 acres.

War Time Marketing Board representatives made a survey of the labor situation in this area the week ending Sept. 18.

WASHINGTON—Managers of all football teams—school, college and professional—are urged by the Office of Defense Transportation to limit ticket sales to residents of the areas in which the teams play.

Summer Officially Ends Saturday

WASHINGTON—Summer officially ends for people in the Eastern states on Sept. 23 but for those in the Midwest and Western states it will begin late in the evening of Sept. 22.

On Saturday, Sept. 23, at exactly 12:02 a. m. Eastern War Time, the sun reaches the halfway mark in its southward journey through the sky, according to calculations made at the nautical almanac office of the U. S. Naval Observatory.

This means that at the Pacific Coast fall will commence at 9:02 a. m. Pacific War Time, on the evening of Sept. 22.

Because the sun will be on the equator of the sky, it will rise directly east and set directly west. It is above the horizon approximately half of the 24 hours and below during the other half, making the days and nights equal.

Buy License Now Or Be Examined

Tallahassee, Sept. 20.—Hundreds of thousands of Florida motorists must obtain new state driver licenses in the next two weeks of stand examinations on their physical fitness and ability to drive automobiles.

J. J. Gilliam, director of public safety, reported that the state judges have assessed 225,000 licenses. There are about 725,000 drivers in the state.

They may be renewed before they expire Oct. 1. They may be renewed before they expire Oct. 1.

Weather Is Not Ideal For Beans

Weather in the upper Glades this week is not, and if it continues like this it won't be good for beans.

Two weeks of heat and too much moisture is liable to make the growth run too much to vines and not enough to fruit.

There is a chance, however, for enough of a change in the weather to make everything come out all right.

Capt. John Pickett Fights In China

John T. Pickett, son of the upper Glades, now a captain in the army's air service, is in China. His wife heard from him this week through a sergeant who had served in China under Captain Pickett. The sergeant and his wife were in China and wrote to Mr. Pickett to give her news of her husband. Captain Pickett having given him the news, the sergeant wrote to him. Mrs. Pickett and her children are living in Pahokee.

The sergeant wrote that Captain Pickett was in the Japanese advance, where he was fighting and supervising flying units. When the Japs advanced John made a jump for success but was compelled to retreat with the rest of the force.

This is the most complete information Mrs. Pickett has had of her husband since his assignment to China for his return to her. She did not have such news of him before.

19 TO CAMP BLANDING

War Prisoners Not Good Workers; Bahamians Better

The United States Sugar Corporation is working some German war prisoners and it has all it can do to get them to work. According to Jack Thale, a staff writer of the Miami Herald in a review of the vegetable labor situation. These prisoners are of the Afrika Korps at a camp between Moore Haven and Clewiston. There are 350 of them and they are used in cultivating cane fields and cleaning out drainage ditches. The war prisoners work a less number of hours per day than do the other workers.

Jay W. Moran, executive vice president of the sugar company, is quoted by the Herald as saying: "This means that we are able to secure farm workers, principally from Jamaica, who are supplied through the War Relocation Administration under special contract for the duration of our seasonal activities."

Leah C. Chandler, of Goulds, a large operator in vegetables, prefers negroes from the Bahama Islands and Jamaica. War prisoners are not good workers, he says. "These growers have to have willing laborers," he said. "If the laborers want to work efficiently they could plant seeds wrong and do everything else wrong all day and mess you up."

In addition, he says, few growers would be able to afford the expense of transporting prisoners to and from their cane fields and taking them and complying with the regulations of The Hague Convention.

Charles Stefani, county agricultural agent, says Dade county's acreage to vegetables through the war is about what it was last year.

30 New Members Welcomed To FFA

The Pahokee Chapter, Future Farmers of America, held their first meeting of the school year at the high school Monday night.

Royle Pope, president, and other chapter officers welcomed the 30 new members. The chapter explained to the new members the FFA duties and objectives. The chapter has a membership of over sixty boys this year.

Tentative projects for the coming year were discussed. In addition, the chapter discussed the annual election of officers.

Blue Devils At Work; Roy Pope, Manager

Following a week of intensive conditioning exercises, Pahokee Blue Devils are back to back and buckled down to heavy work of blocking and tackling on Laird Field.

In the first light scrimmage the squad appeared to be in surprisingly good physical condition. In an effort to form a well-balanced team, Coach Frank Osten is tentatively shifting some of his key letter men to new positions. Frank Randle, left half, is being shifted to right half. Roy Pope, center, is being shifted to left half. Roy Pope, center, is being shifted to left half.

EXPECT SONS

Mr. and Mrs. A. M. Andrews of Canal Point have a letter from her son D. W. Stokes, now in the navy. He has been killed in action. The letter was received by Mrs. Andrews. Another son, Woodrow Lovell, is in the army and he too is expected for a visit over the holidays.

Cpl. W. A. Stevens has arrived at Pahokee for his first visit home with parents and other relatives. He is leaving for combat duty in the Pacific over 18 months ago. He has been in the service for 27 months and has fought in two wars for battles against the Japs.

Vigorous Action By Growers' Agents To Protect Interests

Hundreds of Florida vegetable growers, especially producers of snap beans and cucumbers, have executed their power of attorney authorizing the Florida Vegetable Committee to protect in their behalf the October ceiling prices on snap beans and cucumbers, which are illegal, according to La Monte Gray, committee manager at Orlando. The committee contends that the OPA failed to comply with the provision of the new OPA law requiring 15 days' advance notice of ceiling prior to planting time.

In the Wauchula area alone more than 250 growers not only authorized FVC to act for them, but held a meeting and passed resolutions unanimously declaring that the October ceilings on cucumbers and snap beans are below cost of production.

FVC is rushing preparation of cost data required to combat growers' claims that the new OPA is inequitable to be used when Vegetable Committee officials and growers meet with OPA in Washington before the new OPA becomes effective dates of new ceilings.

Planting Begins In South Florida

A schedule of vegetable planting in southern Florida is being set by William L. Wilson, director of Florida State Markets. "Sanford: Planting of cabbage, cauliflower, squash normally begins about Aug. 15, string beans and potatoes, Sept. 10."

"Tallahassee: Planting of cabbage, cauliflower, squash normally begins about Aug. 15, string beans and potatoes, Sept. 10."

Plant City: Plants beans, cabbage, cauliflower, potatoes, peas, strawberries, squash and muskmelons start crops from Sept. 15 to Oct. 1.

Wausatchi: Plants cabbage, strawberries and potatoes from Sept. 15; string beans and squash from Sept. 15.

BOOKS WILL REMAIN IN PRECINCTS 10 DAYS

Palm Beach county voters who have delayed qualifying to vote will have only 10 days to register while books remain in the precincts, the office of Supervisor of Registration J. L. Griswold announced.

On Oct. 3, the registration books are to be returned to the court house and remain open there until Oct. 13.

BRAHMAN SALE

A show and sale of registered Brahman cattle will be held in Ocala, Feb. 1, 2 and 3.

Mr. and Mrs. Lawrence Parker of Belle Glade announce the birth of a calf, named Louie, at the Everglades Memorial Hospital on Sept. 16.

To Get Road Improvement In Glades Earnest Effort Must Be Made Through State Road Department By Residents

A contract for work on the access road to Pahokee State Market was executed on August 31 and work was started on Sept. 1, which is within the allowable time called for in the contract. The work now under way consists of clearing and leveling of the road, and the hauling of material to the bottom of the road. The material is of such nature that it must remain in the stockpile to drain before being placed on the road.

This is the report made by N. S. Emery, division engineer of the State Road Department, with headquarters at Fort Lauderdale, who is in charge of the work. Mr. Emery visited the site of the work last week and was accompanied by the contractor's superintendent that they expected to start hauling to the road on Sept. 25.

Car Lot Beans By Middle Of October

W. A. Huff of Hastings, opening land near the last year's station on County Highway, began planting Red Bliss potato seed last week. The first field is of 140 acres. He has snap beans that are within four weeks of picking. Other growers in the district also are planting potatoes. The middle of October used to be the usual time for potato planting.

Although it is not usual for him to use his own land for fall beans, L. S. Stucky has used some of his land of this type and will be shipping by the middle of October. Mr. Stucky estimates that his shipments of snap beans will be made by October 10. It is generally agreed that the movement in crops will be under way in the middle of October.

Plant City: Plants beans, cabbage, cauliflower, potatoes, peas, strawberries, squash and muskmelons start crops from Sept. 15 to Oct. 1.

Wausatchi: Plants cabbage, strawberries and potatoes from Sept. 15; string beans and squash from Sept. 15.

Inquiry Made As To Farm Wages

M. U. Mounts, county agent, announced that "In Compliance with the requirements of the Agricultural Labor Law, the county War Food Administration, a hearing will be held to determine the prevailing wages for agricultural workers in the Everglades area on Friday, Sept. 22, at 2 p. m. All interested parties are requested to be present, and anyone desiring to make a statement or opportunity to submit information for the records."

Commenting on this announcement, H. L. Spicer, the farm labor assistant, says:

"This enclosed announcement should be of some interest as a local news item, and we might call attention to the fact that the purpose of this hearing is not to determine the wage rates but to determine the prevailing wage for the different farm jobs. This is made necessary because of the fact that many farmers, who sign a contract to work for a laborer, agree to pay that type of prevailing wage for that type of work."

FARTY FOR MISS WEEKS

A group of friends gathered at the home of Miss Flora Mather on Bacon Point Road Wednesday night for a party to welcome her home from Duke University where she is taking a course in training, course. She has been away for a year and a half between the summer and fall terms at the university.

Cinematic Chatter

By Malcolm Miller

Sunday-Monday's offering at the Prince Theatre brings the delightful life story of one of America's favorite musical comedy stars of yesterday: Nora Bayes with Ann Sheridan in the role of Nora Bayes in the picture entitled "Shine On Harvest Moon." In the cast with Miss Sheridan are Dennis Morgan, Irene Manning, Jack Carson, S. Z. Sakall and Marie Wilson, with a bevy of beautiful chorines in some of the most beautiful singing and dancing numbers yet placed in a picture.

The show gets its title from the song that Miss Bayes popularized in 1907, "Shine On Harvest Moon." This was the year Miss Bayes made her greatest success. The pictured story follows Miss Bayes through girlhood, her early music hall days in vaudeville and finally the musical stage.

The producers were very careful in selecting the cast for this picture and every person does an excellent piece of work in the picture. The picture is a very interesting and the difficult roles that have been handled them.

Wherever this picture has been shown critics have praised it as one of the best musicals offered during 1944, and that is recommendation enough, for if you will remember, there have been some mighty fine musicals come out of Hollywood during 1944. Yes, I highly recommend this show to you for good, clean, healthy, happy entertainment.

Tuesday-Wednesday brings us comedy with music under the title "Seven Days Ashore." In the cast of this one we find Gordon Oliver, Wally Brown, Alan Carney, Mary McGuire, Freddie Slack, Jack Bailey, Dooley Wilson, Elaine Shepherd, Amelia Ward, Virginia May and Marjorie Catron.

Three members of the Merchant Marine go ashore on seven days leave after submarine-mercenary and narrow escape in the South Pacific. Romantic difficulties develop for Oliver when his girl friend and he become engaged and the other girls who whom he has romantic interludes show up. He palms them off as girl friends of his pals, Brown and Carney, and things really become hectic, but settle down in the end as the lads sail again for the distant area.

On this same program is another of those interesting "This is America" subjects that so many people enjoy. They are really dramatizations of the newspaper headlines of today and tomorrow, which are very revealing and educational throughout.

Thursday-Friday brings another double header First picture up is "The Whistler," which stars a Richard Dix, J. Carroll Nash, Alan Dinehart, Gloria Stewart, Joan Woodbury, Clara Cooper and Don Cello.

This latest of the serial thriller entrants has been adapted from the radio program "The Whistler." It is exciting and adventuresome from its very beginning.

On the same program comes a play happy hunked home mystery starring the East Side Kids and Bela Lugosi. This one is "Ghosts on the Loose." In this one the East Side Kids tangle up the lives of a honeymooning couple and succeed in capturing a band of enemy agents. Haunted houses, printed presses, murder, identity mix in as well as the antics familiar to the East Side Kids, whom fans love every screw ball that they do.

Saturday brings the ever popular Western star, who was raised in the good sunny state of Florida, Johnny Mack Brown who offers "Two Fisted Justice," which, of course, is a fast moving Western epic that is right down the alley of every member of the Six Shooters Club.

Closing let me say, its good to see the kids going back to school. And to know they can laugh and play and enjoy every blessing of a good education, free from the forced, learnings of the school. Nam hatred and domination by brute forces. Let's keep it that way. Let's back up the boys right in to Berlin and Tokyo with plenty of War Bonds and Overseas Mail.

See you at the movies—Mal.

BRIDGETENDER'S BODY FOUND IN RIVER

PORT PIERCE — Missing since Saturday night, the body of J. M. Strickland, watchman at the Seaboard railroad's Kalamine river bridge at Fort Baseequer, was found Thursday afternoon in shallow water at a point near where the river empties into Lake Okechobee, some 35 miles distant from Fort Baseequer. The discovery was made by Charles Lightner, a fisherman.

State Attorney T. H. Carlton convened a coroner's jury Thursday night at the site of the discovery and the juryman after viewing the body received pending further investigation. There is said to have been no indication of gunshot or knife wounds, but possibly a head injury which might have been caused by a fall. The body apparently had drifted down the river to the point where it was found.

Strickland was around 40 years of age and is survived by a wife and several children.

MINY'S BIBLE CLASS

SUNDAY will be Victory Day for the Men's Fellowship Bible Class, thanks to the reaching of its objective of 100. Mr. Ralph Grimes' membership last Sunday brought about this achievement. A celebration will be the order of the day on Sunday, at 9:30, fifteen minutes earlier, with a special program of music and more music, poetry and all that goes to make an occasion of this character.

A victory cake, accommodating 100 candies will be served with drinks. The teacher, Rev. C. A. Mohr, will direct the program, and instead of teaching the lesson will be host to the class at the preaching service, eleven o'clock at the church. His sermon will be commensurate with the spirit of the hour. The class quartet will present a program, class and church, with Mr. Gary Sanders at the piano. A most equal invitation is extended to all church members, including Mr. Jack Chaslin, chairman of the Nominating Committee, will present the report of said committee.

In further celebration of the above named, a chicken picnic will be served on the church grounds, Friday evening. The invitation is extended to the men and their wives, and to the Pahokee Football Team, visitors will receive warm welcome. L. J. Lewis is the President.

HOLDING OUR BREATH

Shipments of map beans in car load lots will be made from origin Glades by the 10th of next month if everything goes well. If everything goes well, that has to be repeated to get the emphasis where it belongs. Right now there is no threat of frost or disease or pests, but you never can tell. The ceiling price is not satisfactory, but may be that standing in Texas will do the trick.

Truck farming in the Glades is not a business, for a coward or a man with a weak back.

In the meantime the job-picking department of this newspaper enterprise is prepared to print pickers' tales with candor and dispatch.

by Warren W. Hawley, Jr., President New York State Farm Bureau Federation

IN CHECKING figures of the Farm Credit Administration, I find that farmers are paying mortgages faster than at any other period in the history of the Federal Land Bank.

At the same time farmers are building up cash reserves, but the wise investment of this money is an extremely hard job for farmers to undertake. The temptation is to try and obtain as high an interest rate as possible.

Many of us see no reason why we should not get as much interest on our money now as we had to pay the bank when we were forced to borrow during the depression.

The answer is that today money "cheap" expanded, as the bankers express it. Therefore the interest rates are low except in very speculative securities. Naturally to farmers want to risk losing his hard-earned cash.

We farmers know our own business and we can invest money in wisely because we understand it. However, when we branch out

into other fields, especially the highly technical field of investments, most of us encounter sad experience.

In these days it is virtually impossible for farmers to put their surplus cash back into the farm. War-bond conditions prevent us from repairing buildings, and buying new machinery, automobiles, trucks and other equipment we must eventually have if we are going to stay in business.

So the smart thing for farmers to do is to invest their surplus money in War Bonds where it is safe as a dollar bill. These bonds increase in value the longer they are held; they can be cashed after sixty days in case of need, and they will provide a reserve for farmers after war in the business, the farmers know best—the business of farming.

I confidently predict that if farmers will do this, the dawn of peace will herald a new day for agriculture.

Why Farmers Should Buy and Hold War Bonds

by Charles H. Merchant Head, Dept. of Agricultural Economics University of Maine

WE ARE winning this global war but final victory may be a long way off. We all expect the end is near, but we must keep in mind that we may have to fight a long war, one which may last two or more years. Certainly it is disheartening to think that much of our fighting on both the European and Atlantic fronts is being done, accompanied by long casualties. Unpleasant as this outlook appears it is much better than being defeated by the Germans and Japan.

Hitler was right when he stated that this would be a total war. We must share its responsibility and endure its many sacrifices. Unfortunately, all of us cannot share them equally. It is the farmer's job and his part in this war to produce farm products as never before, under the most trying and difficult conditions.

As the country looks for food produced by farmers is taken away from them, but here in America a farmer is guaranteed to receive good prices for their farm products. Some of the extra money received should go into the purchase of War Bonds for the financing of this war. All while buying War Bonds, for our boys at the front need the best, trained and equipped fighters in the world. It is much better to have the material and equipment than the life of your boy or that of your neighbor's son who is in the field.

The purchase of War Bonds is a practice and each of us should be

Record Attendance At Womans College

TALLAHASSEE, Sept. 21. Students started arriving here Monday for opening of the Florida State College For Women but the first day was not completely successful because of a prospective enrollment President Duane S. Campbell said.

Emergency housing arrangements which were being rushed to take care of nearly 300 more students than the college ever had before were delayed by bad weather, and a few students may be unable to report for class several days after general instruction starts Sept. 25.

Due to manufacturing delays some of the rooms in the new dormitories will not be completely furnished for two or three weeks, but there is enough in them to make the girls comfortable, Dr. Campbell said.

College officials are expecting an enrollment of about 2,250, compared with 2,079 a year ago. Practically all applicants from Florida residents have been granted admission, and about 100 students have been accepted from outside the State.

Freshman week started Monday morning, and all beginning students reported in good numbers. Most superlatives will be registered Thursday and Friday.

BAPTIST CHURCH

Sunday, Sept. 21, the pastor of the Missionary Baptist Church of Canal Point shall speak on "The Revolving Jesus." If you have no other place of worship, don't you want your way to this church on Sunday? It is not enough that a people only know about Jesus; we must accept Him. Knowledge has never gotten a man into the Kingdom. Too many of us fail to realize that. It is not knowledge of Jesus that does not compel us to surrender our hearts to Him. If you truly love Him, you will profess yourselves to be His people, and we will be His people. Christ died for all of us; let us all live for Him!

The message of the evening shall be, "A Justifying Faith." If over the world needed faith truly it is today, but too often people hold fast to slipping sand. My Friends, what we have faith in determines to a large extent what we are. Have you faith which acquiesces with the lie and mercy of God? Is your faith in Jesus, or by what He says of Himself? It makes a difference, you know. Come to these services Sunday, 11:30 a. m. and 8:30 p. m.

Canal Point's PTA Plans Activities

A call meeting of the Canal Point Parent-Teacher Association was held in the school auditorium on Wednesday afternoon with the president, Mrs. F. M. Wilson, presiding.

Mrs. W. J. Pernigian was elected secretary and Mrs. C. L. Stewart, historian. To fill vacancies of officers, Mrs. P. P. DeMoys was named program chairman for the coming year.

The group voted to sponsor 4-H Girls Club work at the school and Boy Scout cubbing activities in the community during the current school year. "Blue ribbon requirements" of PTA was set as the goal for the year. The group will again sell Christmas cards this year as a means of raising funds.

The attendance banner and \$1 award was won by the first grade room mothers for the coming year. The group were named as follows: Mrs. L. V. McClelland and Mrs. James D. Latham, first grade; Mrs. J. P. Parker and Mrs. E. E. Comer, second grade; Mrs. J. T. Platt and Mrs. L. Stuart, third grade; Mrs. Gwendolyn Buchanan and Mrs. Arnold Struggs fourth grade; Mrs. Louis Cowart, fifth grade; Mrs. J. B. Williams and Mrs. J. Harold Rosenberg, sixth grade.

On the program Rev. Oliver Hatfield spoke on "The Home, the School and the Church" as the most vital elements in the life of a community. Several piano selections were played by Patsy Maxwell.

"Regular meetings of the Canal Point PTA will be held at 3 p. m. the first Wednesday of each month through the school year.

LIONS LETTER

Dear Lions: In The Service

I was elected by our president, Luke Fraser, to write a letter to you this week so will try and do as he requested.

We are having very good attendance in the club, with the exception of one time there have never been less than twenty-five or more. Luke finishes up a good record. We were sorry that Roy had to resign. Lion Jess Elliott, who is the secretary, announced at the meeting yesterday that there were 47 members and 20 in the service making a total of 67 members. This is good. Don't you think? This is good.

Dr. L. W. Armstrong and Harry Waldschlager were received as new members at the meeting.

At each of our meetings we have a stamp drawing and Henry Hankus was the lucky winner of the defense stamps.

We have had very interesting meetings with both local speakers and from out of town. Frank Roelke is the program chairman and he is a good one.

They are planning to have two students from the High School as honorary members, to alternate each week, and they in turn will be invited to the club as guests. This will keep the club in contact with the school, it was quite funny that the Rotary Club's two student members happened to be sons of Lion Padgett and Lion Hatfield.

Lion Hatfield is the Tailwagger now and helps me in the job; there isn't anything that he won't try for. There is always a lot of fun, but there has been a lot of worthwhile things accomplished too.

We had as guests "Lions Jones Henry Wilkinson and C. E. (Snoopy) Williams, who were on tour. They gave short talks. There will be a zone meeting at the club here Sunday afternoon, conducted by Lee Puckett, perhaps you know him, he is chairman for this District.

We are waiting the day when you can all be home again and attend the meetings.

Just Another Lion,
Pahokee, Sept. 20,
Albert Gant.

PAHOKEE BAPTIST CHURCH

The First Baptist Church of Pahokee will be host to the Men's Fellowship Bible Class Sunday morning at the preaching hour of eleven. The pastor, Rev. C. A. Moore, the teacher, is happy over the accomplishment of an enrollment of one hundred just achieved and is desirous of presenting his group of which he is justly proud. One hundred seats will be reserved that the men can be presented in mass. The Class Quartet of Messrs. Cowart, Woods, Spooner and Butler, with Mr. Gary Sagers at the piano, will present two selections. At the evening hour of eight, the pastor will again preach. The "Convention choir," a newly organized group will present its first number, under the direction of Mr. R. Cowart. Mr. Gary Sanders at the piano. The class quartet will sing.

The Training Union will meet at seven. It is hoped that the goal of 75 will be reached.

The Wednesday Night Praise, Prayer and Bible Study Hour is meeting with increased interest, fully attending last week. The speakers for this Wednesday are the Messrs. Tills, Kemp and Warner. A most cordial invitation is extended to all visitors to attend any or all of these services.

Revival meetings will begin Tuesday October 10, with Rev. Frank Morgan doing the preaching.

AIRACOBAS TESTED ON SINCLAIR PENNSYLVANIA MOTOR OIL

When Bell Airacobas, deadly pursuit planes, are given the works on test flights their 1150 horsepower Allison engines are kept safely lubricated with Sinclair Pennsylvania Motor Oil—the same quality Sinclair Pennsylvania sold by your nearby Sinclair Dealer.

Now that your car must last longer, keep it safely lubricated with the same quality oil that protects the Airacobra's engine at 305 m.p.h. Have your Sinclair Dealer drain and refill your crankcase with Sinclair Pennsylvania Motor Oil every 1,000 miles. It lasts so long it saves money as well as your engine.

THE OLD JUDGE SAYS...

"Yes, I'm afraid there's no denying it, Judge. I've been thinking of the good old horse in modern warfare."

"It's true of lots of things in this war, requirements and new use of products. For instance, take the alcohol that is used for war purposes. In World War 1, this vitally needed product was used mostly in making smokeless powder, chemical warfare materials and medical supplies. Today it must do far more. It must provide the base for such indispensable products as synthetic rubber, shockproof glass, lacquers, plastics and many other of our requirements so essential to victory."

"As a result hundreds of millions of gallons are required every year...half of which is being produced by the beverage distilling industry. But you didn't know that, Eben."

"As a matter of fact, I didn't, Judge. That's a mighty important war contribution that had escaped me completely."
